Sir,

I have the honor to state that an inspection lodge was constructed at Molakalmuru at a cost of Rs 438/- in 1908-09, from District Funds for the travelling public, as the travellers were put to considerable difficulty and inconvenience for want of accommodation. As the accommodation in this building was quite insufficient, it was extended in 1909-10 at a cost of Rs 466/-. The building now provides enough

General and Revenue Departments,
Bangalore.

Sir,

With reference to your docket No. 10181/L.S.881-10-2 dated 14th June.1911 re the musafirkhana at Molakalmuru I have the honor to state that the musafirkhana in question is known in the public records by the name of " Hangal-Rayadrug road Rest House". There is a sweeper on Rs 4 attached to it whose pay is not from the District Funds.

2 There is an inspection lodge also but no 3rd class Travellers' Bunglow at Molakalmuru. During the year 1910-11 there was a proposal to convert the inspection lodge into a 3rd class Travellers' Bunglow. Therefore a provision of Rs 60 had been made in the budget for that year to meet the pay of a caretaker to be appointed to look after the proposed 3rd class Travellers' Bunglow in addition to the provision made for the pay of the sweeper attached to the Rest House.

3 But when a recommendation was subsequently submitted to Government in the matter (vide this office letter No. 482 dated 30th May 1911) it was considered that only one caretaker may suffice to look after both the Rest House and the Inspection lodge intended to be converted into a 3rd class Travellers' Bunglow.

4 As the sanction of Government has not yet been accorded to the conversion of the Inspection lodge into a Travellers' Bunglow provision for the pay of the caretaker was not made in the budget for 1911-12.
